You will learn sighting skills, discover that you can draw and be introduced to various painting mediums (oils, pastels, acrylics, watercolours). ASB will help you rediscover and expand your creative potential.

Mosaic Weekend Workshop

This is a foundation course in the mosaic art form where you will learn how to create a mosaic using the indirect method. We cover topics like health & safety, cutting techniques, the language of mosaics and of course you get to finish your first mosaic piece . . . and don't be surprised if you're having lots of FUN along the way!
